Re: Purchase Agreement effective December 21, 2022 for Transcatheter Mitral and Tricuspid Therapies ("Agreement")

Edwards Lifesciences ("Edwards") has determined that MONTEFIORE HEALTH SYSTEM ("Hospital") has met the criteria set forth in the Agreement to earn the rebate offered in the Agreement for the period from October 1, 2025 - December 31, 2025. Pursuant to the terms and conditions of the Agreement, an ACH payment in the amount of \$32,400.00 has been issued to Hospital for the purchase of 12 PAS2MA (PASCAL Precision System - Mitral) units.

Please be advised that the above referenced payment is a "discount or other reduction in price" under section 1128(b)(3)(A) of the Social Security Act, 42 U.S.C. 1320a-7b(b)(3)(A) and 42 C.F.R. 1001.952(h) and is subject to disclosure requirements. Hospital shall disclose the discounts or reductions in price under any state or federal program which provides cost or charge-based reimbursement to Hospital for the products or services covered by this Agreement and shall provide, upon request by the Secretary of the U.S. Department of Health and Human Services or any State Medicaid agency, information requested about the value of these discounts.

Edwards values its business relationship with Hospital and looks forward to our continued partnership.
