Good afternoon, Chester,

As per your inquiry, commission revenue paid to MHS FANS 2025 by month:

Jan: \$4,164.55

Feb: \$4,193.32

Mar: \$4,255.79

Apr: \$4,316.76 (up 252% over Apr 2024)

May: \$3,611.78 (up 60.5% over May 2024)

Jun: \$3,736.26 (up 59.4% over Jun 2024)

Jul: \$3,471.11 (up 29.3% over Jul 2024)

I ask again that you consider Superior Vending as your partner in providing food and refreshment services throughout your facilities for the following reasons:

1. familiarity with the market; we are an established, 30-year-old NYC vending services provider, familiar with regulations and restrictions particular to vending operations in NYC. (Farmer's Fridge is NOT a NYC vending company!). We are already a Montefiore vendor, and everyone is happy with our service! We provide all the products and services you're looking for.

1.

2) We are local! We respond to service issues within 30 minutes: we have never had a machine in any Montefiore facility not in operation for more than 1 hour!

- 3) **We pay higher commission revenue than ANY of our competitors.**

If you need any further information, please do not hesitate to reach out to me directly.

Have a good afternoon,

Peter
